25 objection to accept Petitioner's disclosure as timely; motion to produce
26 documents by a date certain so both parties may effectively prepare for the
27 hearing; and motion to exclude irrelevant and redundant evidence.

30 ⁴ Previously granted.

⁵ This filing was made the day before the then-scheduled hearing.

17 **CONTINUANCE**

18 On August 3, 2023, the Tribunal advised the parties that the August 8, 2023 hearing
19 would be continued and that a new date would be issued. Due to the size of the hearing
20 calendar, the Tribunal was unable to calendar a slot for a pre-hearing conference to take
21 the place of this ORDER. Therefore, at the request of **Respondent**, cause appearing,

22 IT IS ORDERED the administrative hearing in the above-entitled matter is continued
23 to convene on **September 29, 2023 at 9:00 A.M. at the Tribunal offices unless a party**
24 **requests that the hearing be conducted virtually by telephone or videoconference;**
25 **the case is calendared until Noon.**

26 IT IS FURTHER ORDERED, based on the more recent filings, Respondent's motions
27 objecting to amend the parties and objecting to accept Petitioner's disclosure as timely
28 are now moot, given the additional information Petitioner apparently provided to

29 ⁸ Respondent withdrew, and clarified, several of its August 1, 2023 motions.

30 ⁹ Any parties' use of a recording during the administrative hearing is heard on the record only as to relevant portions that can be located through clocked timing.

¹⁰ Only the cover sheet was received by the Tribunal;

¹¹ No such Declaration was found listed in the parties' exhibit lists previously filed to the Tribunal.

Respondent and due to the motion to continue the matter (with its request to set a new disclosure date).

IT IS FURTHER ORDERED Respondent's motion to continue is moot, the Tribunal granting the motion herein.

IT IS FURTHER ORDERED the parties' disclosure of any additional or supplemental witness list and exhibits is due no later than August 15, 2023.

IT IS FURTHER ORDERED the issue for hearing is as set forth in the Petition and the Notice of Hearing, *i.e.*, whether:

On September 28, 2022, the TFE association board held an open meeting. The TFE association board did not video or audio record this meeting. At that meeting, the TFE association board PROHIBITED any and all homeowners participating in that open meeting from recording that open meeting. ... Furthermore, the TFE association board FORCED any and all members currently recording the open meeting to STOP RECORDING. Forcing homeowners to stop recording an open board meeting (that is not being recorded by the association) is also contrary to A.R.S. [Section] 33-1804(A). This was neither a closed nor emergency meeting.

Petitioner bears the burden of proof to demonstrate facts in support of his allegations. Both parties shall present for consideration only relevant evidence and testimony regarding the September 28, 2022 meeting.¹² The Tribunal will apply A.R.S. Section 33-1804(A) to the relevant facts to make its determination.

ORDERED this day, August 27, 2023.
